

General Federation of Women's Clubs South Carolina

2010- 2012 Scrapbook Instructions

Scrapbooks:

Clubs may submit their scrapbooks for award consideration in the following manner:

- ❖ Entries will be judged by independent judges, based on criteria as noted on the enclosed Scrapbook Rating/Release Form. All clubs are encouraged to create this annual visual history of their club. Scrapbooks are designed to be a method to share and collect club histories.
- ❖ Entries must be brought to **GFWC-SC Convention no later than 6 pm on Friday** to the location as specified in the Call to Convention.
- ❖ Entries must be registered with the Scrapbook Chairman and accompanied by the Scrapbook Rating/Release Form. Clubs should ensure the completion of the entire upper portion of the form, especially the release section. Non-completion of this section will automatically disqualify the entry from final judging.
- ❖ The Scrapbook Rating/Release form **must be attached** to the entry on the inside of the scrapbook cover.
- ❖ Certificates will be awarded at GFWC-SC Convention to the first and second place club, by respective membership category.

Club Presidents: Please distribute these above instructions and accompanying forms to your club's designated scrapbook chairman.
